TRINITY C of E VA PRIMARY SCHOOL

Newsletter 2

Dear Parents,

It does not seem possible that we are a month into this term already. The term has started well although there seems to be quite a bit of illness about. If your child has a sickness bug then they should remain off school for 48 hours after the last time they were unwell to allow time for it to clear.

Staffing

In the last newsletter I stated that Miss Adams had joined the staff at Trinity, although Miss Adams does a wonderful job helping in class it is in fact Ms Fitzgerald that we welcome into our school as a Special Needs Teaching Assistant.

Harvest Festival

Our harvest service will take place next Friday 2nd October at 9.30 at Holy Trinity Church. The service will not only celebrate our harvest but think about the Diocese of Bath and Wells 1100 celebration this year and its support for Zambia. Later in October all the church schools in Taunton will gather for a service to mark the Diocese 1100 celebration and the role that church schools have in education in Taunton at St. James church. About 30 children will go to represent each school. The diocese has a link with Zambia and is raising money to support education there. All the church schools have decided to support this as part of their harvest. We would therefore ask that for this year's harvest that the children bring a donation which we will be our charitable donation to the diocese Zambia charity.

Car Parking

The governors and I have great concerns at the moment about the number of parents who are once again bringing their cars on to site at the beginning and end of the day. Last year we made the decision to close the gates at both ends of the day because of the health and safety issues that had occurred. We are concerned and disappointed that several parents are opening the gates and leaving them open at these times which results in a very significant increase in cars which, coupled with the fact that many parents still walk up the drive and then allow their children to the same will one day result in a serious accident. Next week Mr Murray will be at the gate to check cars coming in. It is a pity we have to do this but the safety of the children is paramount.

Secondary Transfer – Sept 2010

All Y6 pupils were given Secondary transfer booklets at the end of the summer term. Please ensure you complete and return applications to county by 24th October.

Organic Veg

Just a reminder that you can purchase fresh, local organic vegetables from the Hollies on a Thursday 4.15 – 5.15, the boxes cost £6, £8 and £10. Orders that are placed can then be collected the following week.

Yours faithfully,
Mr N. Bright
