

# TRINITY C of E VA PRIMARY SCHOOL

Taunton Learning Partnership

## Newsletter 3

19<sup>th</sup> October 2009

Dear Parents,

Thank you for your support and contributions to our Harvest last week. The contributions were taken yesterday to the Taunton Church schools 1100 service at St. James church. This was a wonderful service with about 450 children representing 19 schools. The Bishop of Taunton led a procession from Priory Bridge car park to the church and spoke to the children in the service. Alex Jenkins and a girl from Bishop Henderson School had the honour of being the Bishop's helpers during the ceremony. This was a very good occasion showing strong co-operation across many schools in and around Taunton. The gifts that you and others provided will be well used to support less fortunate children get a better education in Zambia.

### Congratulations

I am delighted to tell you that Miss Stevens had a beautiful little girl, Imogen Grace, who weighed in at a very respectable

8lb 13 oz! I am sure you would like to join us in wishing their family every happiness.

### Parents Evenings

Please remember that parents consultation evenings are on the following days: **Tuesday evening 6pm-8pm. Wednesday 3.30-6pm.** An appointment list is displayed in your child's classroom.

### In-service Training Days.

Please remember that next **Friday 23<sup>rd</sup> October** is an in-service training day which is the annual Taunton Learning Partnership day. This year's theme is Science and outdoor learning. We have Adam Hart Davis as the Keynote speaker.

The second day is **Wednesday 4<sup>th</sup> November** when we will look at developing the Fronter Learning Platform for all children. This is a web based site that will be accessible for all ages. We trialled this last year with the Year 6 children and want to roll it out to all the school over this year. **The children return to school after half term on Thursday 5<sup>th</sup> November.**

### T.S.A.

You may remember that in previous years the T.S.A. have had Christmas cards printed with your child's artwork, as this proved to be so popular they felt that this year the artwork doesn't have to

be restricted to cards and can appear on a variety of other items such as mugs, coasters, calendars etc. If you would like to see an example of the items that will be available, please come and see the display in the entrance hall to the school from Monday to Thursday next week. A leaflet giving more details will be sent out by the T.S.A. shortly.

### Tune in to Trinity FM

At school we have started to use our new equipment to create podcasts. A podcast is a pre-recorded radio show made especially for the internet; we will be aiming to have a show ready every couple of weeks. We have brand new microphones and even some DJ mixing stations! The podcasts will be to give information about the school and to show off some of the work we do. Visit [holytrinityfm.wordpress.com](http://holytrinityfm.wordpress.com) to listen to the podcasts. The children have been working really hard and the first show has just gone online. Please keep checking back for updates. I hope you enjoy listening!

### Scooters

It has been brought to my attention that children are once again riding their scooters on the school grounds which resulted in a parent suffering and injury to their foot. May I once again remind you all that under no circumstances should your children be allowed to ride their scooters when they are in the school grounds. Your co operation with this would be appreciated.
